

Shabbat is Coming; Bim, Bam

**Shabbat is coming - we're so happy!
Set up the candles, knead the dough,
Six days a week we wait for Shabbat
We know it will bring a special glow!**

**So let's light the candles...
Like Sarah and Rivkah!
Let's smell the Challah...
Like Sarah and Rivkah!
Let's sing together -
Candles and challah!
These are special mitzvot
For Shabbat!**

**Bim, bam! The sun's going down...
It's time to light candles now.
Bim, bam! The table is set...
For kiddush and challah now.**

**Shabbat shalom - hey!
Shabbat shalom - hey!
Shabbat, Shabbat, Shabbat,
shabbat shalom!
Shabbat shalom - hey!
Shabbat shalom - hey!
Shabbat, Shabbat, Shabbat,
shabbat shalom!**

I believe in Hashem

**I believe in Hashem, I trust in Hashem
There never is a moment when
I am alone, that I'm on my own
I believe and I trust in Hashem**

**And I understand that He's holding my hand
And every step is perfectly planned
He's holding me tight so I'll be alright
I believe and I trust in Hashem**

Who I am

**I'm here because of
My great grandparents
They were proud and they were bold
I get to keep on writing
What's three-thousand years old
Our story's a little different,
but the lessons are the same
It ain't just a fairytale
It's who I am x4**

CKIDS JEWISH UNITY SONG

TTTO: Mi Shema'amin Lo Me'fached

X2

I'm a Jew and I'm proud and I'll sing it out loud cause forever that's what I'll be.

I'm a Jew and I'm proud and that's without a doubt cause Hashem is always watching over me!

**Get up and dance out of your chair
Come join the fun, feel the excitement in the air
Lift up your hands and touch the sky
And join the voices singing "Am Yisroel Chai"**

**Inside of you, inside of me
A Jewish spark is full of pride and energy
So don't hold back and don't ignore
Just let it go and watch your spirit start to soar**

**I am so lucky to join the CKids crowd
It reminds me, I'm a Jew and I'm proud!**

Chorus: X2

**At Chabad is where I wanna be
United with my Jewish family
With pride and with a smile on my face
I'll help the world become an awesome place**

**Step to the left, step to the right
Jump up and down and sing this song with all your might
Mitzvot we do, Torah we read
The world is waiting for a single extra deed
I am so lucky to join the CKids crowd
It reminds me, I'm a Jew and I'm proud!**

**I'm sorry for what I did wrong.
 I'm sorry for what I did wrong.

 I'll try, I'll try with all of my might
 To stand strong and do what is right**

Neshama

TTTO I'm a little teapot

 Neshama voice and tricky voice,
 Which one should I hear.

 And do what's right.**

Freedom Song
